Be aware of Your Audience!

National Funding Authorities

 National reviews will focus on **National** impact within the context of a trans-national collaborative project

- Fulfilling National funding body criteria

Project Outline Annex

General Remarks

- ✕ Read the guidance text, and, if you don't understand it, **ask the office team**
- ✕ Key point: respect the page limits! Going beyond them will be interpreted by the experts as substituting quality by quantity
- ✕ Don't forget a picture is worth a thousand words
- ✕ Check for correctness of language. Poor English and incorrect spelling make it hard for the evaluators
